## Information on Article 33 of the REACH Regulation concerning HYCON products

According to the European Union REACH regulations HYCON A/S is defined as a "downstream user". Furthermore, the products that we manufacture and sell are defined as "articles".

HYCON A/S is committed to identifying and managing its REACH obligations and communicating the necessary information within its supply chain.

According to Article 33 of Regulation (EC) No. 1907/2006 (REACH), companies distributing products that contain one or more so-called substances of very high concern in a concentration of more than 0.1 % by weight are subject to certain information requirements. Substances identified as of very high concern have been included in the so-called candidate list by the European Chemicals Agency (ECHA).

We comply with this obligation to provide information on the following products:

Model	Component / Assembly	Substance	CAS no.
All	Fasteners (nuts, bolts, washers and similar)	Lead	7439-92-1

A handwritten signature in blue ink that reads "Niels Duff".
